

Membership Application SEAEDA

Founded in 1988, the Southeastern American Eskimo Dog Association (SEAEDA) - dba Southeastern All-Breed Event Dog Association - is a UKC licensed dog club. Our members are dedicated to advancement of dog sports, celebrating the total dog and committed to the integrity of UKC events, by fostering a community of sportsmanship and advocating for the fair treatment of all breeds.

Your membership dues support the operation, promotion, and advancement of canine-related activities, including dog shows, performance events (rally, obedience, nosework), and educational seminars.

Our club is powered by active member participation. Membership benefits include a seat at our annual in-person gathering and participate in quarterly interactive virtual meetings where your vote can help shape our future. Plus, dedicated volunteers receive discounts for SEAEDA sponsored events.

Annual dues are \$25.00 for an individual adult and \$35.00 for a family membership. The SEAEDA membership year follows the calendar year, running from January 1st through December 31st.

NAME(S): _____
